# Fundamentals of Hospice Palliative Care Program

Organizations collaborating with their local Palliative Care Clinical Coach, with support from their regional Ontario Health Team, may be eligible for sponsored funding to participate in one of the upcoming courses listed below. Please reach out to your local Coach for more information.

This introductory course is open to all health care providers and volunteers in Halton/Peel region who are interested in building knowledge and skills in hospice palliative care.

**Program Requirements:**

To receive a **Certificate of Completion**, full participation is required:

- Attend all **3 Case-Based Learning virtual sessions** with the option you selected.
  *Note: These are live, interactive sessions – not webinars. Active participation is expected.*
- Complete **Self-Directed Readings** and **e-Learning Modules** on the D2L Brightspace platform
- Participation in **two Peer-to-Peer Exchanges**
- Submit **one Reflective Activity**

**Course Access:** You'll receive **a welcome email one week before the course starts with login instructions and Zoom link**. If you don't receive it, please contact the Admin Assistant at 905-827-8111.

**Course Materials and Technology requirements:** Course readings and e-learning modules are online (D2L Brightspace Learning Environment). You'll need access to a **computer, tablet or smart phone** with **internet, microphone and camera**. If this is a barrier, please let us know so we can help.

**To register please visit: www.acclaimhealth.ca/fundamentals or click on the course registration link below.**
